

xFLIP HOUSE

Parameter Specification Table of FLIP-Classic B-L20

Dimensions

- Unfold Size (L*W*H): 5960mm*6700mm*2548mm

Preliminares

- Agradecemos que haya elegido los productos de nuestra empresa. Como cliente valorado, es un honor para nosotros.
- Para ayudarlo a dominar rápidamente el método de instalación de nuestros productos, hemos provisto un Manual de Instalación junto con el producto.
- Antes de instalar el producto, lea detalladamente las secciones relevantes del Manual de Instalación y siga los pasos para operar de manera segura y estándar, para evitar pérdidas innecesarias.
- Los derechos de autor del Manual de Instalación pertenecen a Zhejiang Putian Integrated Housing Co., Ltd. (en adelante denominada Putian Housing), y nos reservamos el derecho a corregirlo. Sin permiso, los usuarios no deben copiar o difundir este manual sin autorización, y asumirán las consecuencias de cualquier infracción a esta regla.
- Este conjunto de Manual de Instalación incluye las siguientes partes:
 - Un Manual de Instalación
 - Al redactar este manual, hemos tratado de ser precisos y estamos seguros de que si tiene cualquier problema al usar nuestros productos o al leer este Manual de Instalación, le sugerimos que primero se comunique con su distribuidor para obtener una respuesta rápida y un servicio localizado. Si necesita contactarnos directamente, aquí están nuestros detalles de contacto de servicio al cliente:
- Correo electrónico de servicio al cliente: cs@putianhouse.com
- Por favor tenga en cuenta que sugerimos resolver problemas a través de distribuidores, ya que pueden estar más familiarizados con las condiciones y necesidades específicas de su área. Sin embargo, independientemente de su elección, estaremos encantados de ayudarlo.
- La información proporcionada es precisa y confiable. Sin embargo, si hay omisiones o deficiencias, por favor, tenga la amabilidad de disculparnos y damos la bienvenida a sus valiosos comentarios y sugerencias sinceramente.
